Kids Point

Blue and Green Room - 1, 2, 3... it's Easter! And we are SO excited to share with our youngest friends that Jesus is alive! We want our preschoolers to know that Jesus isn't just a character in stories. Jesus is alive, and He wants to be their friend forever! This month, we are sharing the most important event in history with our preschoolers. Jesus changed the world, and He still has the power to change people's lives today. Why? Because Jesus is alive!

Orange Room - We live in a "me-centered" world, where people act as if the world revolves around them. It can be hard to figure out how to be humble throughout the different circumstances we face. Thankfully, we don't have to figure this out on our own. When Jesus was on earth, He gave us the ultimate example of humility. Jesus is God, and He put that aside for us. Through His life and death, Jesus also showed us how to serve others and put them first.
