Kids Point

Blue and Green Room - Have you ever been somewhere where it was so dark you couldn't even see your hand in front of your face? No light shining under the door. No stars in the sky. No screen glaring back at you. Just darkness. So much darkness that you have to shuffle slowly, stumbling your way across the room with arms stretched out, hoping, searching . . . and then finally, with the flip of a switch, LIGHT! Light changes everything. This month, we're talking about light, but not just any light. We're talking about Jesus—the light of the WORLD and how when we do what Jesus says, we shine. We shine the light of Jesus! Let's not hide our light. Let's SHINE and light up the dark so others can see their way to Jesus.

Orange Room - Waiting is a part of life. Thankfully, we don't have to wait on our own. Through the Holy Spirit, God can help us experience the patience we need to wait well. After all, God is patient with us. God is in control and knows what's best for us. Even though God's people had been waiting for years for the promised Savior, at just the right time, God sent Jesus. Because we're created in God's image, we can reflect God's patience in our lives. We can be patient when we remember what God has done. We can lean on God's Holy Spirit to give us the strength we need to trust God and show patience with the difficult circumstances in our lives.
