Kids Point

Blue and Green Room - Have you ever watched a cooking show where kids whip up a culinary delight with ease? God's creation of each person is even more creative! Psalm 139:14 says, "How you made me is amazing and wonderful." God made us wonderful, and we're celebrating this truth with preschoolers! Our prayer is that they'll understand that God made us, loves us, and wants to be their friend forever. To help them discover this, we're "cooking up" fun activities that reinforce these foundational truths. Join us in this journey and leave feeling confident and smiling, knowing that God made you wonderful!

Orange Room - Sometimes it's easy to know what the wise choice would be. Let's say you're choosing between having expired milk with your cereal or eating some fruit and a sandwich. You probably aren't reaching for the milk! What about choosing to stay up all night when you have a road trip the next day, or getting some sleep because you're driving first? Every decision you make starts out with a choice. As we "dive deep" into the Bible this month, we'll discover that God is always there to help us make wise choices. God has given us people who can help us make those wise choices too.

Explorer Club Meetings: Sunday, August 25th, September 8th, September 22nd between services. See Tracie in Kid's Point for more information.
