Kids Point

Blue and Green Room - Show and Tell is always a favorite. Children have so much fun looking for the most special thing they can find to show their friends, and what each child shares helps teachers and friends get to know them a little bit better by seeing what is most valuable to them. This month, we're taking a look at the ultimate Show and Tell. God showed the world how much He loves us by giving us Jesus. That is what we celebrate at Christmas, and that is what we will continue to show the world through our actions and tell with our words.

Orange Room - Have you ever stopped to listen to a group of carolers and then joined them to go spread some more Christmas cheer with others? Music is such a big part of Christmas, but it's not the main reason we celebrate. It's easy to get distracted with all the lights, presents, and traditions that sometimes we forget it's not about the things we do, but Who we do it for and why we do it. That's why this December, we're singing loudly as we jam out to our Christmas Playlist to celebrate Jesus, God's greatest gift! The best gift God ever gave was Jesus. Because of Jesus, it's possible for us to have a relationship with God that will last forever. As we get in the mix this Christmas season, let's take time to remember the reason we celebrate in the first place: Jesus, the greatest gift the world has ever known.

Explorer Club Meetings: Sunday, Dec. 15th, Jan. 12th, & 26th between services. See Tracie in Kid's Point for more information.
