## Kids Point

- **Blue and Green Room** - In Follow the Leader, preschoolers will explore amazing truths from God's Word, the Bible. Kids will discover that God helps us! He delivers us from the troubles we face. Just as God delivered the Israelites when they were pursued by the Egyptians, God delivers us! He helped His people "exit" from their captivity in Egypt. God delivered the Israelites from their enemies in a miraculous way—by parting the Red Sea! God still delivers His people today!
- **Orange Room** - Cast and Crew, Cooperation isn't always something that may happen naturally, but it is something that is near and dear to God's heart. Since the beginning of creation we see how God created us to be in community with one another. Cooperation is a spiritual concept that originates with God, and throughout the Bible, we see how God brought people together to accomplish God's plan for the world. When we work together, we reflect Jesus to others, and our love for one another can point people to Him as we explore what God wants us to do together.
