Kids Point

Blue and Green Room - THATS' INCREDIBLE! The Easter story and the amazing events surrounding Jesus' last weeks on earth are absolutely incredible! These extraordinary events actually happened and believing that has the power to change our life. We will find out what incredible praise looks like, how Jesus' death and resurrection offers us an incredible life, and how can we have incredible power to live for Jesus Christ!

Orange Room - Life can be complicated. In fact, Jesus told His disciples that we would have trouble in this world (John 16:33b). Sometimes, we may not understand why something happens the way it does. Yet, in spite of the things that go wrong or the things we don't understand, we can have HOPE that God knows what's best and is working for our good. Because of that, we can trust God no matter what as we begin to explore why the story of Jesus is good news for everyone
